

# FRONTEND DEVELOPER

## ABOUT ME

Hello! I am Arek and I am a beginner Frontend Developer. I like to create new things so programming is my great passion. As your employee I would like to give your company a good quality of work and flexibility in a technology which will be used for the project. I also have experience in leading a team and quickly adapt to new tasks as well as managing them. I would like to invite you to check my portfolio to learn more information.
